

Health and Physical Education: SPAN Lang=ENSPAN Lang=ENPreparing Educators for the Future, 2012, 214 pages, Debra Callcott, Judith Miller, Susan Wilson-Gahan, 1107608171, 9781107608177, Cambridge University Press, 2012

Physical Education, Health and Wellbeing empowers the health and physical education teachers of tomorrow to engage students across a wide range of learning ages. It highlights the importance of physical skills development within the broader structure of child and adolescent maturity. This well-structured and engaging text considers the role of health and physical education within the wider educational experience, and provides a comprehensive overview of the skills and theory required to teach health and physical education in Australian schools. Physical Education, Health and Wellbeing is based on current research literature and is enhanced by a range of valuable teaching resources - including further reading, end-of-chapter questions and case studies - intended to extend and develop students' learning. It is accompanied by an extensive companion website, at www.cambridge.edu.au/academic/hpe.
